Information Package for Scouters, Parents and Guardians

Dear Scouting Families,

We are excited to welcome both new and returning families to **Operation Ice Cap 34**, Manitoba's premier winter Cub Scout camp! For more than **34 years**, Ice Cap has provided Cub Scouts from across Manitoba with an unforgettable weekend of adventure, friendship, and winter fun.

This years camp is Scheduled for January 15th-17th 2027.

Camp Arnes: The Perfect Site

Our camp is hosted every year at Camp Arnes, situated approximately 15 km north of Gimli. Camp Arnes is a full service camp with heated cabins, chalets, dining hall, and the Wigwam. Throughout the weekend, Cubs and Scouters will enjoy:

- Heated four season cabins with bunk beds
- Modern washroom facilities
- A large dining hall
- The Wigwam activity space

Participants will enjoy amazing meals and snacks prepared by the Camp Arnes staff, allowing Scouters and youth to focus on the activities rather than cooking.

Fun, Adventure and Friendship

Operation Ice Cap has been carefully designed to provide a memorable experience filled with adventure, learning, and teamwork. Participants can look forward to activities such as:

- Ice fishing
- Obstacle course
- Games and team building activities
- Arts and Crafts
- Mini Klondike derby
- Winter Village
- Silk Screening T-shirt printing

Returning campers already know that Ice Cap has many traditions that are best experienced firsthand, so we ask that they help us preserve the surprise for our first time attendees by not sharing our secrets!
